## Welcome to...

### St Albans City & District Residents First Weekend

The ninth St Albans City and District 'Residents First Weekend' is to take place on the weekend of Saturday 29th and Sunday 30th January 2011. Attractions, hotels, leisure centres and restaurants are getting together to give the District's residents a treat of a weekend and give them the opportunity of trying something new.

By learning more about the City & District it helps us become "Ambassadors" for the area and more likely to encourage us to invite friends and relatives to visit.

The St Albans Residents First Weekend is set to become one of the largest events of its kind with over 40 of the City and Districts top tourist attractions, restaurants, leisure centres and hotels taking part.
