CHRISTMAS 2009

A small gathering or a large party, we at Lussmanns are here to make your festive get together both possible and enjoyable.

It is never too early to plan your Christmas party, by booking now you can ensure that you have the first choice of what time and which date to host this year's festivity.

All our parties can be booked free of charge for up to 45 people. We cannot emphasise enough the importance of pre-planning your Christmas event. This way there is a greater likelihood you will be able to book the desired time and date that you want.

When you come to plan your event we will talk through the various options available and to add some further enjoyment to the meeting you can sample the wines prior to making your final selection.

We look forward to both organising and co-ordinating the event on your behalf. Simply call in or e-mail us and let us do the rest.
